

Job Description Child Development Consultant

Position Title:	Child Development Consultant
Reports To:	Training and Technical Assistance Coordinator
Classification:	Salaried / Exempt

Position Summary:

Under the supervision of the Training and Technical Assistance Coordinator, the Child Development Consultant is responsible for providing training and technical assistance to child care programs to improve the quality of child care. At times night and weekend work may be necessary due to scheduled trainings.

Primary Responsibilities:

1. Coordinate, develop and implement trainings for child care providers that meet the needs of beginning, intermediate and advanced child care providers who may work in a variety of child care settings
2. Provide technical assistance, model teaching and/or consultation to child care providers
3. Maintain all program data and documentation
4. Compile and submit accurate reports in a timely manner and in compliance with contract stipulations
5. Adhere to IACET's Continuing Education and Training Standards for all trainings
6. Drive the Mobile Resources Library Van to routes as assigned
7. Participate actively in early childhood professional organizations
8. Keep abreast of current literature and research related to child development, the child care field and the child care workforce
9. Assist at fundraising and training events when needed
10. Provide quality customer service to all internal and external customers of the agency
11. Follow agency procedures to assure reporting of suspected child abuse and/or neglect
12. Follow agency procedures in reporting any suspected licensing deficiencies observed at child care programs
13. Participate in the attainment and retention of CCAA Quality Assurance Accreditation
14. React productively to change and handle all other work-related responsibilities as assigned

Job Description Child Development Consultant

Qualifications:

1. Bachelor's degree in Child Development, (Family and Consumer Sciences, Human Environmental Sciences, Human Development and Family Studies), Early Childhood Education or Elementary Education (with 30 credits in Child Development or Early Childhood)
